Big Brute 9 GPM 4000 PSI

Power, Performance, and Reliability. The Brute Series Cart Jetters from Jetters Northwest offer the most power and features available in a cart mounted jetter. Your GPM/PSI is fully adjustable to perform a variety of tasks from small sink lines to residential and commercial main line jetting. The High-Flow of the Brute Series allows you to add specialty nozzles designed for specific tasks such as clearing tree roots or hard grease, even in large-diameter pipe.

MODEL	GPM	PSI	HOSE
